A Drive-In Down Memory Lane...

Back in the 1950's, Maryland had about 42 drive-ins located throughout the state. Almost all are completely gone now, and there is only 1 operating drive-in remaining. That drive-in is Bengie's Drive-in located in Middle River just northeast of Baltimore.

Pennsylvania has over 20 operating drive-ins making it the 2nd largest drive-in state in the country. It has the largest screen of any remaining drive-in in the United States at 120' wide and 52' high and has a capacity for 750 cars.

Drive-ins started in 1933 by an auto parts salesman,

Car Care "Tip of the Month"

Summer car care check list!

Before hitting the road this summer, you can take several simple precautions to keep your car operating properly and your family safe. Extreme heat and

long drives can be tough on cars - leading to cracked hoses, leaky radiators, dirty filters, and worn tires with the wrong tire pressure. Make sure you check all your car's fluids and component wear to ensure a safe and breakdown-free summer!

Did You Know?

Sponges can hold more cold water than hot water.

Cars were first started with ignition keys in 1949.

The game "Tug-of-War" was an Olympic sport from 1900 to 1920.

A "pip" is one of the spots on a die or a domino.
