

## Car Safety "Tip of the Month"

### Fall Safety Tips...

Leaves are starting to fall and can create hazardous driving conditions.

- Piles on the sides of the roads can attract kids to play near traffic.

- Leaves can hide potholes, bumps and objects from drivers.
- Wet leaves can make roads very slippery.

Deer are also moving now.

- Hunting season has begun, causing deer to move from area to area crossing roads at odd times.
- Many fawns are now more mobile, but less skilled at crossing roads.

## Happy Halloween!

### Drive Safely!

Halloween is fast approaching! Be sure to drive slower than normal in residential areas and keep a sharp eye out for children (and adults) darting across streets.
